PREPAYMENT: The Borrower may repay the unpaid principal and accrued interest in full or in part at any time before it is due. This is known as prepayment. No penalty shall be charged.

If the Borrower continuously resides in the premises, as his/her principal residence for five (5) years from the date of the closing of the loan the principal on this Note will have been deemed satisfied and the Lender will provide the Borrower with a cancellation of mortgage or release of lien.

If the Borrower conveys, refinances or ceases to occupy the Premises as his/her principal residence, full repayment of principal and accrued interest * will be due as follows:

- Months 1 through 24 100% of the principal is due.
- After the **24th month**, 25% of this principal and a portion of the accrued interest on this Note will be deemed satisfied and the remaining balance will be re-amortized.
- After the **36th month**, 50% of this principal and a portion of the accrued interest on this Note will be deemed satisfied and the remaining balance will be re-amortized.
- After the **48th month**, 75% of this principal and a portion of the accrued interest on this Note will be deemed satisfied and the remaining balance will be re-amortized.
- After the **60th month** this entire Note will be satisfied and discharged.

*note: when the principal is reduced, the new principal balance will be re-amortized from the original date of the Note to calculate the current accrued interest due.
